Pakistan Commitments

- We commit to reducing hunger and malnutrition by ensuring that all children have access to sufficient, safe, and nutritious food that meets their dietary needs and food preferences for an active and healthy life.
- We pledge to support maternal health programs that provide comprehensive prenatal and postnatal care and ensure that infants receive the essential nutrients they need during the critical first 1,000 days of life.
- We declare to strengthen healthcare systems to provide accessible, affordable, and high-quality medical care for children, including preventative measures, treatment of illness, and support for children with special healthcare needs.
- We will foster collaboration across sectors, including government, private sector, and international organizations, to leverage resources, expertise and innovation in tackling child health and nutrition challenges.
- We commit to instill peace in the minds of children through education, science, and culture as tools to promote global peace, harmony and development.
